2 The matt in question is endowed with
two Inam Villages viz Thambehally in
the Kolar Dy and Kanchadatti Kuma
-ner in the Mulbagal Dy. The circumstances
which led to the assumption of the manage
-ment of these two matt Villages are given in
the office-note Containing Govt order no.
1211-2 of 29th August 1907. It has been observed
in this order that the Swamy has leased
out these Villages to certain individuals
who are not carrying out the terms
of their Contract and not paying the
Suttu amounts due to the matt or even
the Govt dues. It has also been stated
that the question of Confirming the lease
to the present enjoyers of the Villages
or otherwise will be considered after
the Villages come under the management
of Govt-

Sent in Srimukhas praying for the restoration of the land endowments (Vide Mug F. no 335-10) - The 1st Cr. ordered that the matter should be decided on after the receipt of the Dy Commrs report on the questions raised by the petition of the lessee Nagappa refd to above - The Remainder Srimukhas from the Swamy were ordered to be filed -

IV 4 The Dy. Commr submitted his report on the petition of Nagappa in Feby 1911 and after hearing the petr, the 1st Cr directed the restoration of the villages to the lessees on stipulated conditions. V Next orders were conveyed in Govt Bro no. 2818-20 Dy 2d May 1911. In the Muchelika executed before the Cr on 29th April 1911, Nagappa on behalf of other lessees also has agreed to pay the gutta amounts to Govt as long as the property continue under Govt management.

(Mug F 440-11) Nagappa petitioned Govt praying that the amounts realized during the period the petr and other lessees were kept out of possession might be paid to him - The Dy. Commrs report has been called for on 7.5.11

petition and the matter is pending with that officer-

5 The Agent of the Matt while stating the facts of the case, complains that these lessees who have become the sole managers of the villages have been doing a lot of mischief (1) by destroying many valuable Trees (2) by removing the fort stones at Kanamur and selling them away and (3) by disposing of the sites reserved for Matt purposes in the villages for building purposes etc. He states that the Swamy has returned from his pilgrimage and prays the restoration of the above villages to the management of the Matt- He further prays that pending final orders on the petition, he may be ordered to be put in immediate possession of the villages as the lessees have been abusing the trust placed in them, and that the amounts due from the villages may be recovered and given to the Matt for repairs to the Matt building at Tambakalli-

) The petition is a clever one but it ignores the fact that the villages in question had previously been leased by the Swamigalen himself for a term of ten years, and all that the Govt had todo with the management of these villages consisted in collecting the amount stipulated by the lease. It is true that the Govt Consent entered upon the actual possession of the land but this was under a mistaken conception of his rights and the Status quo ante was restored after Govt handing over again of the villages to the lessee. Now as regards these villages the Swamigalen would appear to be entitled not to actual possession but only to the investment of the rights of the lessee including the right to collect the Rents Reserved.

8 As regards the two villages in the Shivaganga Taluk, also under the management of the Govt., there seems to be no objection to their restoration to the Swamigalu, but it is to be noted that a return of the villages is not asked for.

9 An assertion is made in the petition that certain amounts are long overdue from the lessees and that they are devastating the property. A report on these matters may be called for from the Dt. Collr. As regards the first item of complaint, the question is probably mixed up with the prayer of the lessees for the return to them of the profits from the villages during the period they were under Govt. management. On this point a report has been called for from the Dt. Collr. and the matter is being dealt with in another file. Regarding the second item of complaint it is a matter for consideration whether the Swamigalu may not be required to seek relief in a competent Court, as if the allegation of devastation is true, the Swamigalu may file a suit of

Re Reports on the restoration of the inam villages endowed to Sri Majjigehalli matha in the Kolar District.

The Dy Commr reports that the period of Ten years contracted by the Swami with the lessees expired on the 30th June 1915, that the villagers, lessees and the Swamigalu are at logger heads ever since the Swamigalu executed the lease deed on 1905, and that the present lessees are not looking after the lands satisfactorily and the Swami is not on good terms with the Ryots. That officer recommends that the inam villages may be taken under Govt management.

61 The facts of the case are briefly as follows.

62. The Swami of Mattam Rajagopala Mattam leased the Mattam villages in Kolar to one Nagappa in 1903, for a period of 60 years. At the request of the Swami, the management of the Mattam villages in Kolar and Shimoga Dts was assumed by Govt and a monthly allowance was sanctioned to the Swami. This was in 1907. Subsequently on the representation of the lessee of Kolar villages the actual possession was handed over to him during the currency of the lease, the Govt only reserving the right to collect the stipulated rent.

63. At the beginning of 1913 the Swami returned from a tour and asked for the restoration of management. As the lease was still running the Dy Comr was desired to inform the Swami that the Govt were not in a position to hand over possession and that the Swami if he pleases, is welcome to collect the rent from the lessee himself. No reply was received but the Swami seems to have forcibly entered upon possession and there is litigation going on between

lessee and the Swami on the one hand and between the Swami and the tenants on the other.

6b. The Swami now seeks for an order from Govt. that the management of the villages have been for many hundred years in the Swami. Apparently this is a move on the Swami's part to strengthen his hands in his legal proceedings against the ryots. There is no doubt that a certain amount of blame attaching to the local officers for having allowed this situation to arise or if already arisen for having allowed it to continue after the term of Nagappa's lease ceased.

65. Apart from the above circumstances and the unsatisfactory conduct of the Swami, there seems to be no objection to recognise that the Swami is already in possession and that the Govt. management of the Matt villages had ceased but the Swami must be made to repay all moneys received by him for periods subsequent to the date of this interference. Hon'ble Member) 29.8.16

I have discussed the matter personally with the Under Secretary. Vide also my Judicial remarks.

I cannot endorse the view suggested by [illegible] above. The whole difficulty in my opinion is due to the fact that the Govt did not pass an explicit order in 1913 complying with the Swami's request for restoration of management, but went on making futile enquiries.

What should now be done is to pass a definite order stating that the management has already been restored by the Govt in accordance with the terms of para 2 of the Secy's letter of 22 April 1916.

The R. Secy will please bring up a draft order in accordance with my instructions.

Two drafts are relating to the Kolar villages and the other to the Shimoga villages are submitted for favour of approval.

dence regarding the treatment of this subject in the Branch. I regret that the questions relating to the villages of Kolar and Shimoga were not treated separately as that would have simplified solution and order as regards Shimoga villages at least might definitely have been passed earlier.

On receipt of the Swami's application for restoration, in both the cases the Dt. Comrs opinion was called for in the usual way and in the case of Kolar, the real point at issue was indicated. Once again the Dt. Comr. of Kolar was ~~was reminded~~ reminded on 21.11.1913 that the matter was an important one and should not be lost sight of. Nothing further was heard from the Dt. Comr of Kolar ~~until~~ ~~1915~~ on this point until 28th April 1916, probably because the Swami was in actual possession and did not agitate about the disposal of his case. There is nothing to show that reminders were periodically issued from the Branch. The Secretariat work is both attended to and

No. 514-1

Dept. No. 1

To,

The Secretary to the Government
of His Highness the Maharaja of Mysore
General and Revenue Departments
BANGALORE.

The petition of the Agent to Sri Srinivasa Madhava Thirtha Swamigalu of the Majjagehally - Mutt at Mulabagal, Kolar District, humbly showeth:-

1. That the Mutt in question has got two Inam villages viz., Thambehally in the Kolar Taluk and Kambadatti Kamanur in the Mulbagal Taluk.

2 That owing to the existence of some misunderstanding between the petitioner and some of his relatives and others - attached to the Swamigalavaru, the affairs of the Mutt fell into disorder in consequence of which the Swamigalavaru was obliged to lease out the villages to Nagappa and others under a contract for a period of ten years with the private understanding that the transaction was meant only for one year, after which the - executants had to give up the villages to the possession of the Swamigalavaru. In the meanwhile the Swamigalavaru had to go out on a pilgrimage to Tirupathi &c., in the North Arcot District.

As the lessees failed to carry out the terms of the contract by not paying the gutta amount due to the Mutt and also the Government dues which accumulated to Rs.2,074-4-9 as per - details noted in the - margin, the Inam villages were on the representation made by the Swamigalavaru taken over temporarily under Government management and the Swamigalavaru was being paid an allowance of Rs.50/- per mensem

mensem out of the income of the said villages, vide Government order No.1211-2 Muz. F.2 of 1901 dated 20-8-1907.

4. That these villages were accordingly taken over to the management of Government from 20-8-1907 till the lessees were allowed to continue to enjoy the income of the villages, i.e.,for about four years.

5. That these lessees who have now become the sole -- managers of the villages have been doing a lot of mischief - (1) by destroyingmany valuable trees, (2) by removing the fort stones at Kamanur and selling them away, (3) by disposing of sites reserved for Mutt purposes in the villages for building purposes &c.

6 As the allowance was very small the Swamigalavaru has had to undergo many difficulties and troubles during this long period of his absence. He hasnow returned from his - pilgrimage.

That under the above circumstances the petitioner under the authority from the Swamigalavaru humbly prays that the Government may be graciously pleased to order the restoration of the above villages to the management of the Mutt. He further prays that pending final orders on this petition, he may be ordered to be put in immediate possession of the villages as the lessees have been abusing the trust placed in them.

The Swamigalavaru also prays that the Government may kindly be pleased to recover the amount due from the lessees - as it is long over-due and as it was the duty of the Government to have recovered it as they had the management of the villages -- till now. This amount is urgently required to restore the - Mutt at Tambahalli as it has come down.

9. That the lessees and the Taluk authorities may kindly be ordered to render the detailed accounts of the villages.

Bangalore,
28th February, 1913.

Majjagehally Mutt.

Sir,

With reference to your letter No. 2430 Muz.514-12-4 dated 13th June 1913 forwarding a Srimukha from the Swamigalu of Majjigenahalli Mutt requesting that the management of Majjigenahalli and Kablikatti villages in the Shimoga Taluk may be restored to the Mutt, I have the honour to state that I see no objection to the restoration of the management of the villages of Majjigenahalli and Kablikatti to the Mutt as prayed for by the Swamigalu. I am however unable to trace any references to show when and under what circumstances the management of these villages was taken over by Government.

As the Deputy Commissioner of the Kolar District maintains the accounts of this Mutt and the balance at its credit has to be ascertained from that Officer.

2. No steps have been taken by me for leasing out the villages, as I am not in favor of doing so, owing to mismanagement by the present lessees who filed suits in the Munsiff's Court, Kolar, against the ryots and the Swamigalavaru for recovering their dues. Besides this, the lesses have failed to pay Government dues and the lease amount for the last two years. Stringent orders have been issued to the Amildars concerned in the matter of -- recovering the amount due by proceeding against the moveable property of -- the defaulters at an early date to enable needful adjustments being affecte.

Sir,

In submitting herewith an application received by me from the Swamigalavaru of the Sri Majjigehalli Matt. asking that the villages belonging to the Matt may be restored to his management, I have the honor to state that the Swamigalavaru represents therein that as matters stand at present, it has become difficult for him to render regular service and conduct Santarpane &c in keeping with the dignity of the Matt. owing to the management of the said villages by Government agency.

2. The Swamigalavaru, since his return from Benares, has been residing at Thambehalli, one of the villages belonging to the Matt in the Kolar Taluk, and as I understand from his application, he seems to be very earnest in managing the villages himself to the best advantage of the Matt. I think his request may be complied with on condition that no room

is given for any complaint by the villagers.

3. I may add that as far as I know, the Swamigalavaru is helpless and the small allowance which has been sanctioned to him by Government is utterly inadequate, and further there is no other source of income to him. I think the interests of the Matt would be better served by handing the villages back to the Swamigalavaru, and thus put a stop to the unnecessary interference by the lessees and others in this matter once for all.

4. I accordingly submit this matter for the favourable consideration of Government and early orders.

Deputy Commissioner's Office,

Dated Kolar, the 14th July 1916.

From

F. B C I E C, Esquire, J.A.,
Deputy Commissioner, Kolar District.

To

The Secretary to the Government of Mysore,
Revenue Department, MUZ.J.B. CH, Bangalore.

Sir,

Adverting to your letter No.2769/Muz.514-12-16 dated 31st May 1916, calling for certain additional information re the restoration to the Swamigalavaru of the Hejjigehalli Math and the management of the villages belonging to it, I have the honor to state that the Swamigalavaru returned from his northern tour to the village of Jodi Thambihalli in the Kolar Taluk, broke up the management of the villages before the expiry of the lease period and the lessees have in consequence, filed suits in the Munsif's Court at Kolar against the ryots and the Swamigalavaru as defendants for the recovery of the annual rent due from the ryots and some of the suits are still pending decision.

2. The Swamigalavaru is in actual possession of the villages and they are not under the management of Government.

3. It will be seen from the enclosed statements submitted by the Tahsildars of Chikballapur and Kolar Taluks, that the total receipts from the years 1907-08 to 1910-11 was Rs.7,921-4-0 and after deducting the expenditure of Rs.7,256-14-9, there remained a balance of Rs.664-5-3 being the net income during the period the villages were under Government management. I am taking necessary steps for the adjustment of this sum towards the arrears of the lease amount due by the lessees and shall submit a further report in the matter, after settling the accounts between the Government, the lessees and the Swamigalavaru in this behalf, as soon as orders of Government are received on my proposal contained in my letter

No.233 dated 29th April 1916.

4. In this connection, I may mention that the ryots of the Jodi Thumbihalli Village having represented to me the difficulties they are put to, owing to the fact that the management of the villages either by the Swamisalavaru or the lessees, has not been recognized by the Government, I have directed that as the period of lease has already expired, they should in future, unless other arrangements are come to and pending receipt of orders from Government in the matter, pay their dues to the Swamisalavaru himself, as per copy of -- endorsement herewith submitted for perusal together with the petition.

5. In these circumstances, I request early orders in the matter.

6. The petition received with the above together with the vernacular file on the subject is herewith submitted for reference.

I have the honor to be,

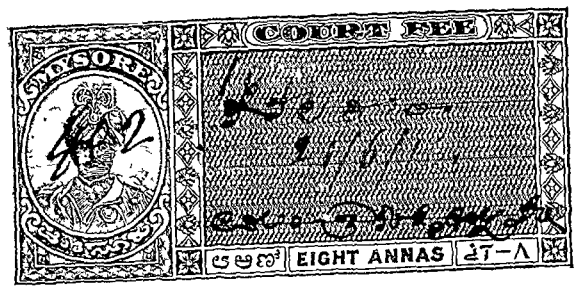
In reply to their petition regarding the payment of the jodi amount of the jodi village of medi Thambihalli in the Kolar Taluk belonging to Sri Majjigehalli Matt, petitioners Keval Ram, Yelvarada Byrappa and other ryots of Jodi Medi Thambihalli, are hereby informed that in future, unless other arrangements are come to and orders of Government are -- received in the matter, the jodi amount should be paid to the Swamigalavaru.

P.F. BOWRING.
Deputy Commissioner,
Kolar Dt.

" C O P Y "

Deputy Commissioner,
Kolar District.



To

The Deputy Commissioner,

Kolar District.

Respected Sir,

The humble petition of Keval Ram, Yelavarada Byrappa and other ryots of Jodi Medi Tambihalli in the Kolar Taluk, most respectfully sheweth :-

1. That the above mentioned Jodi Village of Medi Tambihalli belongs to Sri Majjigenahalli Matt and the petitioners are the Kadim tenants of the said jodi village.

2. In the year Vishu, the said village was originally grant -ed to Makkanji Samiah by H. H. The Late Maharaja and then in the year 1834, the said village was gifted to Sri Majjigenahalli Matt by the said Samiah and since that time the jodi village has been in possession of the Sri Swami of the Matt.

3. From time immemorial, the petitioners have been, as usual, paying their jodi to the agents of Sri Swami obtaining receipts from them and thus the petitioners have already paid their jodi due up to the current year.

4. That the petitioners learn that about 8 or 9 years back the jodi village was leased by Sri Swami for ten years to Mr. Nagappa at Devarayasamudram in the Mulbagal Taluk. That the petitioners were not aware of the lease and they were not served any registered notice respecting the lease either by the Lease-

holde-

Lease-holder or by Sri Swami. As the Leaseholder al not yet obtained any Muchalika from the petitioners he is not entitled to demand the jodi from the petitioners.

5. Such being the case, the lease-holder has been unjustly instituting many suits in the Kolar Munsiff's Court against the petitioners for the arrears of jodi already paid to Sri Swami and hence, he is recovering the jodi again from the innocent petitioners.

6. But the agents of Sri Swami have already, by force, recovered the jodi from the petitioners for which they have obtained receipts. Though the petitioners have already paid their dues to Sri Swami, yet the lease-holder has been troubl-ing the petitioners for the jodi. In consequence of which, the petitioners will have to sustain a great loss by paying the jodi both to Swami and to lease-holder for the same year.

7. In case the petitioners fail to pay up the jodi to Sri Swami, his agents would give much trouble to the petitioners in the village. As for instance, it is evident from the records that on 12-9-1914, the agents unjustly drove away 64 cattle of the petitioners to the Cattle Pound and made them pay a fine of Rs. 16/- for the release of the Petitioners' cattle. Against this, the petitioners having complained to the Deputy Commis-sioner (Mr. Bowring), he was pleased to inspect the cattle in the cattle-pound and after enquiry, passed orders (730 dated 28-10-1914) to the Amildar that the fine should be refunded to the petitioners.

8. In consequence of the dispute arose between the lease holder and Sri Swami, the innocent petitioners are under destruction and have to shift from the village. The petitioners therefore are at a loss to know the lawful person authorized to receive the jodi from the petitioners. For which, the peti-tioners put in many petitions to you but final orders have not been passed in the matter.

9.The jodi village ha s also been surveyed but the Pattas have not yet been granted to the petitioners. The Jodidars have not yet paid the arrears of the village due to Government although the petitioners have paid their jodi due upto the current year. It is better to have the jodi village under Govt. Management until the dispute is decided.

10. Under these circumstances the petitioners humbly pray that your honour will be pleased to hold an enquiry perusing the receipts given by Sri Swami and to make a reference to the Civil Court so that the suits preferred against the petitioners may not be entertained as the arrears preferred in the lease-holder's suits are already paid by the petitioners to Sri Swami;

or

(b) as the petitioners are ready to pay up the jodi to the lease-holder also in case that they are given orders to the effect that they should pay the jodi to the leaseholder without Court costs, though the jodi is already paid to Sri Swami; the petitioners request your honour to kindly grant an endorsement to the effect that the petitioners should seek redress in a Civil Court after having paid up the jodi to the lease-holder.

For which act of kindness the petitioners will ever be grateful to you.
